

# Ooh Laa

John Legend

Come and get me wasted  
This is dedicated to that ooh laa  
Run it to me real quick  
I be going stupid for that ooh laa

Don't make me wait  
I've been thinking about it all day  
You know what I want  
The second, the minute I'm home, it's...

Ooh laa  
That's the only music that I wanna hear, is...  
Ooh laa  
Get a little louder, scream it in my ear, yeah

Spin it 'round, let it bounce some  
Up & down, think we found something  
Smack it, flip it, rub it down  
To the sound of  
Ooh laa  
Ooh laa  
Ooh laa

You know I'm romantic  
I'd cross the Atlantic for that ooh laa  
I'll wear my best tuxedo  
And you can undress me and we go ooh laa

Don't make me wait  
I've been thinking about it all day  
You know what I want  
The second, the minute I'm home, it's...

Ooh laa  
That's the only music that I wanna hear, is...  
Ooh laa  
Get a little louder, scream it in my ear, yeah

Spin it 'round, let it bounce some  
Up & down, think we found something  
Smack it, flip it, rub it down  
To the sound of  
Ooh laa  
Ooh laa  
Ooh laa
