Angela, they put you in prison Angela, they shot down your man Angela, you're one of the millions Of political prisoners in the world

Sister, there's a wind that never dies Sister, we're breathing together Sister, our love and hopes forever Keep on moving, oh, so slowly in the world

They gave you sunshine
They gave you sea
They gave you everything
But the jail house key

They gave you coffee
They gave you tea
They gave you everything
But equality

Angela, can you hear the earth is turning? Angela, the world watches you Angela, you soon will be returning To your sisters and brothers in the world

Sister, you're still a people teacher Sister, your word reaches far Sister, there's a million different races But we all share the same future in the world

They gave you sunshine
They gave you sea
They gave you everything
But the jail house key

They gave you coffee
They gave you tea
They gave you everything
But equality

Angela, they put you in prison Angela, they shot down your man Angela, you're one of the millions Of political prisoners in the world
