Woman is the slave to the slaves

Ah yeh - better scream about it

And then we leave her flat for being a fat old mother hen
We tell her home is the only place she should be
Then we complain she's too unworldy to be our friend

Yes, she is - if you don't belive me, look at the one you're with
Woman is the slave to the slaves

And wonder why she has no guts or confidence
When she's young we kill her will to be free
While telling her not to be so smart we put her down for being so dumb

Woman is the slave to the slaves
Yes, she is - if you belive me, you better scream about it
