

He Will Never Leave Me Alone

John P. Kee

I searched far and wide hoping to find
a love that would be mine until the end of time.
Late one Saturday night, the Lord came into my life,
I want everyone to know that He will never leave...
(He will never leave me alone).

(Lord, You gave me victory)
(right in the midst of my battle),
(I will fear no evil)
I will fear no evil.

(You opened my blinded eyes),
(when I could not see),
(I will see no evil)
I will see no evil)

(I've got to keep my conversation holy),
(I've got to touch somebody's life),
(I will speak no evil)
I will speak no evil.

(Yea though I walk)
(through the valleys of death)
(I fear no evil)
I willI fear no evil;
He will ever leave me alone.

No, no, never,
He won't leave me.

No, no, never,
He won't leave me.

Vamp 2:No, no, never.
No, no, never.
