

It's Time to Praise the Lord

John P. Kee

It's time to praise the Lord,
oh, it's time to praise the Lord.
Oh don't you wait, it might be too late;
it's time to praise the Lord.

It's time to magnify Him,
oh, it's time to magnify Him.
Oh, don't you wait, it might be too late;
it's time to praise the Lord.

Oh, just can't stop praising Him,
just can't stop praising Him,
just can stop praising the Lord.
