

Just for Me

John P. Kee

I must thank You in advance
as I stand on my Godly faith,
I will trust You and obey
and stand on what You do and say.
You have made so many ways
and You've supplied all of my needs,
oh Lord, there's a blessing just for me.

Oh Lord, there's a blessing just for me.
Oh Lord, I have waited patiently.
Oh Lord, Your good pleasure I will see.
Oh Lord, there's a blessing just for me.

Many say I shouldn't be greedy
and I should not ask for more,
they don't know because I'm grateful
He has so much more in store.
I will always count my blessings
and be grateful wait and see,
oh Lord, there's a blessing just for me.

There are those with carnal minds
and they'll never receive
all the things that God has promised,
somehow they just won't believe;
but by faith I'll get my harvest
for I've given cheerfully,
oh Lord, there's a blessing just for me

There is a blessing in the storehouse
with a tag upon the side,
my name's already on it
and I shall not be denied.

I shall start to shouting
very soon I'm gonna see;
oh Lord, there's a blessing just for me.

Oh Lord.

Oh Lord, there's a blessing just for me, me.
