John P. Kee

We moving higher to a promise, our destiny  
One One can hinder what the Lord has in stored for me  
His promises are sure, don't give up, you must believe  
We teach each other that the kingdom is yours for sure

I press towards the father, I surely believe in Jesus Christ  
Surely, goodness and mercy shall set me high  
Let's go higher, higher, higher  
Let's go higher, higher in God
