

## New Life

John P. Kee

Oh what a change  
Has come over me  
My life has detoured  
A life of misery  
From darkness  
You gave me light  
All the wrong in my life  
You came and made it right

He has given us new life  
He has given us new life  
(repeat)

He has given us new life

New life (3x)  
He's given us new life

He has given us new life
