

The Anointing

John P. Kee

I asked the Lord one day for direction
and He showed me the way that I must go.
And now that the Lord has appointed me,
I'm so very glad He anointed me,
(the anointing makes a difference in my life).

The anointing of God (the anointing destroys the old).
The anointing of God (if you need love and you won't show it's
solid).
The anointing of God (I declare it can mend up a broken heart),
the anointing makes a difference in my life.

The love of God is so good,
that's how I know my call is so pure.
The Lord, He has appointed me,
and there's no doubt He's anointed me,
(the anointing makes a difference in my life).

If your yoke is not broken
and your burdens are hard to bear,
your yoke can be destroyed,
take your burdens to God
and leave them there, leave them there.
