

# Bound By the Thread of the Flag

John Parr

My heart is beating like a drum  
This lifetime moment has come

It's in me  
It's in you  
The sacred thread  
Red, white and blue  
We are bound by the thread of the flag

Sing it loud  
Sing it proud  
Let the heavenly choir sound  
We are bound by the thread of the flag

And now the battle is won  
Our country's glory lives on

It's in me  
It's in you  
The sacred thread  
Red, white and blue  
We are bound by the thread of the flag

Sing it loud  
Sing it proud  
Let the heavenly choir sound  
We are bound by the thread of the flag

Old Glory's sewn  
With threads of hope  
And each star and stripe  
Is you and I

And at the setting of the sun  
A single trumpet and a drum

Lay me down  
Lay me down  
In the warm forgiving ground  
I am bound by the thread of the flag

Sing it loud  
Sing it proud  
Let the heavenly choir sound  
We are bound by the thread of the flag

Sing it loud  
Sing it proud  
Let the heavenly choir sound  
I am bound, you are bound  
We are bound, we are bound  
Bound by the thread of the flag
