

# God Only Knows

John Prine

God only knows the price that you pay  
For the ones you hurt along the way  
If I should betray myself today  
God only knows the price I pay

God only knows  
God only knows  
God only knows the way that I feel  
Is only a part of the way I feel  
If I can't reveal the way that I feel  
God only knows the way I feel  
God only knows  
God only knows

Now I lay me down to sleep  
I pray the Lord my soul to keep  
If I should die before I wake  
I pray the Lord my soul to take

God only knows  
God only knows  
God only knows  
God only knows

God only knows when I'm not true  
To the things that I say, and the things I do  
And if I can't be true to the things that I do  
God only knows the way I feel

God only knows  
God only knows  
God only knows  
God only knows
