

# I'll Be Gone

John Williamson

Someday I'll have money  
Money isn't easy, to come by  
By the time it's come by I'll be gone  
I'll sing my song and I'll be gone

Some day I'll have lovin'  
Lovin' isn't easy, to come by  
By the time it's come by I'll be gone  
I'll sing my song and I'll be gone

Oh oh

Lived a life of luxury  
Doesn't seem to be for me, be for me  
Movin' around comes naturally  
Movin' around and feelin' free  
That's for me

Someday I'll have money  
Money isn't easy, to come by  
By the time it's come by I'll be gone  
I'll sing my song and I'll be gone

Some day I'll have lovin'  
Lovin' isn't easy, to come by  
By the time it's come by I'll be gone  
I'll sing my song and I'll be gone

Oh oh

Lived a life of luxury  
Doesn't seem to be for me, be for me  
Movin' around comes naturally  
Movin' around and feelin' free  
That's for me

Someday I'll have money  
Money isn't easy, to come by  
Lovin' isn't easy, to come by  
Neither of them easy, to come by  
By the time they've come by I'll be gone  
I'll sing my song and I'll be gone
