As long as the moon shall rise as long as the rivers flow
As long as the sun will shine as long as the grass shall grow
The Senecas are an Indian tribe of the Iroquios nation
Down on the New York Pennsylvania Line you'll find their reserv
ation

After the US revolution cornplanter was a chief He told the tribe these men they could trust that was his true belief

He went down to Independence Hall and there was a treaty signed That promised peace with the USA and Indian rights combined George Washington gave his signature the Government gave its hand

They said that now and forever more that this was Indian land As long as the moon shall rise...

On the Seneca reservation there is much sadness now Washington's treaty has been broken and there is no hope no how Across the Allegheny River they're throwing up a dam It will flood the Indian country a proud day for Uncle Sam It has broke the ancient treaty with a politician's grin It will drown the Indians graveyards cornplanter can you swim The earth is mother to the the Senecas they're trampling sacred ground

Change the mint green earth to black mud flats as honor hobbles down

As long as the moon shall rise...

The Iroquios Indians used to rule from Canada way south
But no one fears the Indians now and smiles the liar's mouth
The Senecas hired an expert to figure another site
But the great good army engineers said that he had no right
Although he showed them another plan and showed them another way

They laughed in his face and said no deal Kinuza dam is here to stay

Congress turned the Indians down brushed off the Indians plea So the Senecas have renamed the dam they call it Lake Perfidy As long as the moon shall rise...

Washington Adams and Kennedy now hear their pledges ring
The treaties are safe we'll keep our word but what is that gurg
ling

It's the back water from Perfidy Lake it's rising all the time Over the homes and over the fields and over the promises fine No boats will sail on Lake Perfidy in winter it will fill In summer it will be a swamp and all the fish will kill But the Government of the USA has corrected George's vow The father of our country must be wrong what's an Indian anyhow As long as the moon shall rise (look up) as long as the rivers flow (are you thirsty)

As long as the sun will shine (my brother are you warm) as long

as the grass shall grow
