

# 'Cause I Love You

Johnny Cash

I'll sweep out your chimney  
yes and, I will bring you flowers  
yes and, I will do for you  
Most anything you want me to

If we live in a cottage  
You will feel like it's a castle  
By the royal way you're treated  
And attention shown to you

I'll be there beside you  
If you need a cryin shoulder  
Yes, and I'll be there to listen  
When you need to talk to me

When you wake up in the darkness  
I will put my arms around you  
And hold you till the mornin sun  
Comes shinin' through the trees

I'll be right beside you  
No matter where you travel  
I'll be there to cheer you  
Till the sun comes shinin through

If we're ever parted  
I will keep the tie that binds us  
And I'll never let it break  
'Cause I love you

I will bring you honey  
From the bee tree in the meadow  
And the first time there's a rainbow  
I'll bring you a pot of gold

I'll take all your troubles  
And I'll throw 'em in the river  
Then I'll bundle down beside you  
And I'll keep you from the cold

I'll be right beside you  
No matter where you travel  
I'll be there to cheer you  
Till the sun comes shinin through

If we're ever parted  
I will keep the tie that binds us  
And I'll never let it break  
'Cause I love you
