

Further On Up The Road

Johnny Cash

1. Where the road is dark and the seed is sowed **Am** **C**
Where the gun is cocked as the bullet's cold
Where the miles are marked in the blood and the gold **Am** **G**
I'll meet you further on up the road **F** **G** **Am**

2. Got on my dead man's suit and my smilin' skull ring
My lucky graveyard boots and a song to sing
I got a song to sing, it keeps me out of the cold
And I'll meet you further on up the road.

R: Further on up the road **C**
Further on up the road **Am**
Where the way is dark and the night is cold **C** **E7**
One sunny mornin' we'll rise I know **Am** **G** **Am** **G**
And I'll meet you further on up the road. **F** **G** **Am**

3. Now I been out in the desert, just doin' my time
Searchin' through the dust, lookin' for a sign
If there's a light up ahead well brother I don't know
But I got this fever burnin' in my soul

R1: Further on up the road **C**
Further on up the road **Am**
Further on up the road **C**
Further on up the road **E7**
One sunny mornin' we'll rise I know
And I'll meet you further on up the road **G**
One sunny mornin' we'll rise I know
And I'll meet you further on up the road
