

Life`s Railway To Heaven

Johnny Cash

G **C** **G**
1. Life is like a mountain railway with an Engineer that's brave

A7 **D**
we must make the run successful from the cradle to the grave
G **C** **G**
heed the curves the hills the tunnels, never falter, never fail

D7 **G**
keep your hand upon the throttle and your eye upon the rail

C **G**
R: Blessed Savior, Thou wilt guide us
A7 **C**
till we reach that blissful shore
G **C**
where the angels wait to join us
G **D7** **G**
in God's praise forevermore

2. As we roll along the mainline, there'll be storms and there'll be night
there'll be sidetracks unexpected on the left and on the right
but with the straight always before us and our hearts upon the prize
there'll be no disembarkation until we reach paradise

R: Blessed Savior...
