## One

## **Johnny Cash**

Is it getting better? Or do you feel the same? Will it make it easier on you now? If youve got someone to blame? You said One love, one life When it's one need in the night One love we get to share it It leaves you baby if you don't care for it Did I disappoint you or leave a bad taste in your mouth? You act like you never had love and you want me to go without. Well, it's too late tonight to drag the past out into the light. We're one but we're not the same. We get to carry each other, carry each other .... one Have you come here for forgivness Have you come to raise the dead Have you come here to play jesus to the lepors in your head? Did I ask too much, more than a lot You gave me nothing now it's all I got We're one but we're not the same. Well we hurt each other and we're do it again You said Love is a temple, love the higher law Love is a temple, love the higher law You ask me to enter, but then you make me crawl And I can't be holdin on to what youve got When all youve got is hurt One love, one blood, one life You've got to do what you should One life with each other: sister, brothers. One life but we're not the same We get to carry each other, carry each other One
