

Sugartime

Johnny Cash

Well, now sugar in the morning, sugar in the evening, sugar at
supper time

Be my little sugar and love me all the time

Honey in the morning, honey in the evening, honey at supper tim
e

Be my little honey and love me all the time

Put your arms around me, swear by stars above

You'll be mine forever in the heaven of love

Sugar in the morning, sugar in the evening, sugar at supper tim
e

Be my little sugar and love me all the time

Now sugar time is anytime that you're near

Oh, you're so dear

Now don't you roam just be my honeycomb

And live in a heaven of love

Well, sugar in the morning, sugar in the evening, sugar at supp
er time

Be my little sugar and love me all the time

Honey in the morning, honey in the evening, honey at supper tim
e

Be my little honey and love me all the time
