

# The One Rose

Johnny Cash

So blue Lonesome too But still true

Rosie haunts me Makes me think of you

You're the one rose that's left in my heart, dear I love you, a  
dore you, I do

Each night in dreamland we wander along  
Telling love stories anew  
When from a blue sky a black cloud came rolling  
Breaking my heart in two  
Oh we ought not to part  
I have said from the start  
You're the one rose that's left in my heart

Oh we ought not to part  
I have said from the start  
You're the one rose that's left in my heart
