## **There You Go**

## **Johnny Cash**

You're gonna break another heart, you're gonna tell another lie Well here I am and there you go, you're gone again I know you're gonna be the way you've always been Breakin' hearts and tellin' lies is all you know Another guy gives you the eye and there you go There you go, you're gone again I should have known, I couldn't win There you go, you're by his side You're gonna break another heart, you're gonna tell another lie

Because I love you so I take much more than I should take I want you even though I know my heart is gonna break You build me up and for a while I'm all a-glow Then your fickle heart sees someone else and there you go Thre you go, you're gone again I should have known, I couldn't win There you go, you're by his side You're gonna break another heart, you're gonna tell another lie
