

## Worried Man Blues

Johnny Cash

It takes a worried man to sing a worried song  
It takes a worried man to sing a worried song  
It takes a worried man to sing a worried song  
I'm worried now but I won't be worried long

I went across the river laid me down to sleep  
I went across the river laid me down to sleep  
I went across the river laid me down to sleep  
When I woke up I had shackles on my feet  
Don't you know it takes a worried man...

I asked that judge what's gonna be my fine  
I asked that judge what's gonna be my fine  
I asked that judge what's gonna be my fine  
Twenty one years on the Rocky Mountain Line  
Oh it takes a worried man...

Well the train I ride it's twenty one coaches long  
The train I ride is twenty one coaches long  
The train I ride is twenty one coaches long  
The woman I love she's on that train and gone  
Oh it takes a worried man...  
I'm worried now but I won't be worried long
