Perfect

Johnny Gill

Sometimes it's hard to understand the things you say, yeah
How you notice every little flaw on your face, oh yeah
You trippin' 'bout a couple extra pounds, let it ruin your mood, uh-huh, uh-
huh
If only you could see what I see, you'd enjoy the view, eh

Look how you shining
Girl you a diamond
You know you're priceless (you are)
You know you got that soul glow
I see your halo
In case you don't know, oh-oh

You may not think that you are perfect
Your lips, your eyes, your thighs
Does something to me
But girl I'm telling you you're perfect
Your skin, your curves, your smile
That's on everything
And you ain't gotta have your hair did
Your nails done, no make up on
Ooh, girl I'm telling you you're perfect
Girl, you're so damn perfect
You're perfect for me

My baby's a rider, a fighter, she is my queen
Nobody can compare to the type of heart that my woman brings
Listen, because you're perfect how you are the way that God made you (perfec
t)
And you're the only one that I ever wanna wake up to, oh baby

Look how you shining
Girl you a diamond

You know you're priceless (you are)
You know you got that soul glow
I see your halo
In case you don't know, oh-oh

You may not think that you are perfect
Your lips, your eyes, your thighs
Does something to me
But girl I'm telling you you're perfect
Your skin, your curves, your smile
That's on everything
And you ain't gotta have your hair did
Your nails done, no make up on
Ooh, girl I'm telling you you're perfect
Girl, you're so damn perfect
You're perfect for me

(Oh, yeah, come here)

Your heart, your soul, your mind
You're perfect for me
You're one of a kind, baby

You may not think that you are perfect
Your lips, your eyes, your thighs
Does something to me
But girl I'm telling you you're perfect
Your skin, your curves, your smile
That's on everything
And you ain't gotta have your hair did
Your nails done, no make up on
Ooh, girl I'm telling you you're perfect
Girl, you're so damn perfect
You're perfect for me

You are, you are, you are, you are
You're perfect for me
You're one of a kind
