

## Dear Alice

Johnny Lee

Dear Alice I got your letter yesterday  
I tried to call you but the phone just rang away  
In Hollywood I knew it would

I've decided the things are looking too good now  
And I don't wanna move to LA anyhow  
Even if I could

But remember that I'll love you  
For the rest of my life  
Always were a darn good lover  
But you didn't wanna be my wife

Guess I'll close now but I hope that everything is fine  
But most of all I hope you've got your peace of mind  
Living way out there

But remember that I'll love you  
For the rest of my life  
Always were a darn good lover  
But you didn't wanna be  
No you didn't want to be  
You didn't want to be my wife  
I love you goodbye
