

Can't Get Out of This Mood

Johnny Mathis

I've got the world on a string
I'm sitting on a rainbow
Got that string around my finger
What a world, what a life, I'm in love

I've got a song that I sing
And I can make the rain go
Any time I move my finger
Lucky me, can't you see, I'm in love

Life's a wonderful thing
As long as I've got that string
I'd be a silly so-and-so
If I should ever let you go

I've got the world on a string
I'm sitting on the rainbow
I've got that string around my finger
Oh, What a world, what a life, I'm in love

Life's a wonderful thing
As long as I hold the string
I'd be a crazy so-and-so
If I should ever let her go

I've got the world on a string
I'm sitting on a rainbow
I got that string around my finger
What a world, what a life
Oh, what a world, what life
What a world, what life, cause I'm in love
[He's in love, he's in love]
I'm in love
[Got the world on a string]
And what a wonderful thing
[Alright]
When you get the world on a string
[Uh huh]
