

I'll Do It All for You

Johnny Mathis

In the morning
I'll reach across and touch your body laying there
In the morning
I'll give to you you'll give to me
Love we share

I'll make love to you
You'll make love to me
We'll move to the beat of our hearts
I won't leave you
Ain't nothing gonna keep us two apart
I'll do it all for you (all for you)
I'll do it all for you (all for you)
I'll do it, I'll do it all for you
I'll do it all for you (all for you)
I'll do it just for you (just for you)
I'll do it, I'll do it all for you

In the evening
I'll light the candle, light the fire and pour the wine
In the evening
We'll give in to emotions, baby, one more time

I'll make love to you
You'll make love to me
We'll move to the beat of our hearts
I won't leave you
Ain't nothing gonna keep us two apart
I'll do it all for you (all for you)
I'll do it all for you (all for you)
I'll do it just, I'll do it all for you
I'll do it just for you (just for you)
I'll do it just for you (just for you)
I'll do it girl, I'll do it all for you

I'll make love to you
You'll make love to me
We'll move to the beat of our hearts
I won't leave you
Ain't nothing gonna keep us two apart
I'll do it all for you (all for you)
I'll do it all for you (all for you)
I'll do it just, I'll do it all for you
I'll do it just for you (just for you)
I'll do it all for you (just for you)
I'll do it, I'll do it all for you
