

Never Givin' Up on You

Johnny Mathis

Once again your eyes are telling me
That I'd be better off not loving you
I know it's hard for you to carry on
When you can't even hold me the way you used to do
But take my hand, I'll understand

I'm never givin' up on you
No matter how hard it gets we'll make it
Together we can see us through
We're strong enough to face the world and shake it
Never givin' up on you
Lovin' you is all I'll ever do
I'm never givin' up, never givin' up on you

I'll never know how hard it is for you
I sometimes feel so helpless that I could cry
One thing I know, you're still strong and beautiful
And I know I'm gonna love you until the day I die
My love is true, it's all for you

I'm never givin' up on you
No matter how hard it gets we'll make it
Together we can see us through
We're strong enough to face the world and shake it
Never givin' up on you
Lovin' you is all I'll ever do
I'm never givin' up, never givin' up on you

I'm never givin' up on you
No matter how hard it gets we'll make it
Together we can see us through
We're strong enough to face the world and shake it
Never givin' up on you
Lovin' you is all I'll ever do
I'm never givin' up, never givin' up on you

I'm never givin' up on you
No matter how hard it gets we'll make it
Together we can see us through
We're strong enough to face the world and shake it
Never givin' up on you
Lovin' you is all I'll ever do
I'm never givin' up, never givin' up on you
