

# You're a Special Part of My Life

Johnny Mathis

You're a very special part of my life  
And I know my heart could never be free  
Of the good times spent together with you  
Makin' future plans that we hope someday will come true  
You're a very special part of my life  
And that's the way I want it to be  
'Cause without you I'm a person alone  
Thinking 'bout you and wishin' you would hurry on home  
Oh, oh, love, there was a time when I was weak and lonely  
Then you came into my life and taught me to be strong  
Baby, you are the star that makes my heart see  
I can still feel the warmth of your love  
You're a very special part of my life  
And you've come to me you're so much to me  
'Cause you never fail to be there  
when I need somebody to give me some peace of mind  
Very special, baby baby, very special  
Baby baby, very special, baby baby (special to me now)  
You're a very special part of my life
