

# Come Home America

Johnny Rivers

Winds of change blowing strong  
Thought I'd heard someone sing this song  
Days of peace are not that hard to find  
Pick up the dream you left behind

Young and old, rich and poor  
Black and white can rhyme  
Wake up, America, it's been a long, long time

Time has come to make a choice  
To give the people, give 'em back the voice  
Will we leave this land in the hands of greed  
Or will we answer our brother's needs?

Young and old, rich and poor  
Black and white can rhyme  
Come home, America, it's been a long, long time  
Come home, America, it's been a long, long time
