## **Look To Your Soul**

## **Johnny Rivers**

I nearly lost myself Tryin' to be someone else All of life I've been playing the game.

Gotta get out of myself it seems Life's not real when you're in a dream Hang on to your head and give it a try.

To live you must nearly die Giving up the need to say I Look to your soul for the answer Look to your soul.

So many people passing by Have a need to identify All of us want to be satisfied.

Few people seem to care Livin' the life that goes nowhere Nobody takes the time to try.

To live you must nearly die Giving up the need to say I Look to your soul for the answer Look to your soul.
