

Parchman Farm

Johnny Rivers

Well, I'm sitting over here on Parchman Farm
Well, I'm sitting over here on Parchman Farm
Well, I'm sitting over here on Parchman Farm
Never done nobody no harm

I'm sitting over on number nine
I'm sitting over on number nine
I'm sitting over on number nine
All I did was drink my wine

yeah yeah yeah yeah yeah yeah I wanna go back home
yeah yeah yeah yeah yeah yeah I wanna go back home

I'll be down here for the rest of my life
Well I'll be down here for the rest of my life
Well I'll be down here for the rest of my life
All I did was "?????" my wife

I said yeah yeah yeah yeah yeah yeah I wanna go back home
I said yeah yeah yeah yeah yeah yeah I wanna go back home

I'm gonna be on this farm for the rest of my life
I'm gonna be on this farm for my natural life
I'm gonna be on this farm for the rest of my life
All I did was shoot my wife
