

Memory Pain

Johnny Winter

Serve me right to suffer
Serve me right to be alone
Hey to be alone

Lawd serve me right to suffer
Oh serve me right to be alone
Hey to be alone

Ya know I'm still livin' with a memory
Of the days that's passed and gone
The days that's passed and gone

Everytime I see a woman
Hey hey it make me think of mine

Ohhhhh everytime I see a woman
Oh it make me think of mine
Make me think of mine

But the way she treat me
Lawd I just can't keep from cryin'
Aw can't keep from cryin'

Serve me right to suffer

Serve me right to be alone

When I get home in the evenin'
Hey hey my woman would be gone
Yes she would be gone

Ohhhhh when I get home in the evenin'
Uhhmmmmmm my old lady would be gone
Oh she would be gone

When I get up in the mornin'
Her lights would just be coming home
Just be coming home

Ohhhh serve me right to suffer
Hey hey serve me right to be alone
Serve me right to be alone

Mmmm serve me right to suffer
Oh oh serve me right to be alone
Yes to be alone cause I'm still livin' with a memory
Of the days that's passed and gone
The days that's passed and gone
