

# The Sky Is Crying

Johnny Winter

The sky is crying  
Can you see the tears rollin' down the street?  
The sky is crying  
Can you see the tears roll down the street?  
I've been lookin' for my baby  
And I wonder where can she be

I saw my baby early one morning  
She was walkin' on down the street  
I saw my baby early this morning  
She was walkin' on down the street  
You don't wanna hurt me, hurt me so bad  
Let my poor heart skip a beat

I've got a real, real, real, real bad feelin'  
That my baby, she don't love me no more  
I've got a real, real bad feeling  
That my baby don't love me no more  
You know the sky, the sky's been crying, yeah  
Can you see the tears rollin' down my nose?
