

Rescue Team

Johnossi

Sunrise, sunrise I'm sleepy head,
I should get up to school but I couldn't get out of bed
I never came back alive from the dream that I had
it seemed like every night then, every night

Spoiled, oh yes I've always been wanting more at first
the sight of your life then the sight of a whore
because it all comes down to the nightmares I've had,
and I don't think you'll understand

I was on the loneliest road girl, yes I was,
you put me back on it,
yeah you did and I will walk here until the end of time
if you don't send a rescue team,
but I ain't really sure if I want you to

A new morning arrived, I'm the greatest hero, I felt the
comfort reminding of my time in utero
One creates nothing but two creates one and I kill my
half

'Cause I'm the son of a gun girl, yes I am,
on this lonely road girl, that I'm on,
and I will walk here until the end of time
if you don't send a rescue team,
but I ain't really sure if I want you to

No I ain't really sure if I want you to,
perhaps I'd rather be on my own
No I don't think I want you to carry me home
