

# The Way You Do Me

Jojo

Look at what you do to me  
Why you keep doin it?  
It's getting me gone

Boy the way you do me  
Boy the way you do me  
Why you gotta be so good when you give it to me?

I been tryin to think of ways to tell ya no  
Same time I been thinkin I'd be crazy ta let it go

Boy the way you do me  
Boy the way you do me  
You be talkin somethin good when you talkin to me

I been trying to think of ways to tell ya no  
Same time I'm thinkin I'd be crazy to let ya go

Most just can run up on me  
I meet them at the door  
Me gettin swept off my feet  
That don't happen no

Since you been comin around  
I been scramblin  
Steady switchin up so much  
My girls that know me  
Got to let up

When we met up  
you done got me in love  
couldn't say it  
but the way it happend  
just let me know  
the records i was spinnin  
kept me missin out

We aint even traded kisses  
But I'm feelin so much fire in here

Boy the way ya do me  
Boy the way ya do me  
Why ya gotta be so good when ya give it to me?

Boy the way ya do me  
Boy the way ya do me  
Why ya gotta be so good when ya give it to me?

I been trying to think of ways to tell ya no  
But at the same time I'm thinkin I'd be crazy to let ya go

Boy the way ya do me  
Boy the way ya do me  
You be talkin somethin good when ya talkin to me

I been tryin ta think of ways to tell ya no  
but at the same time I'm thinkin I'd be crazy to let ya go

Boy the way ya do me  
Boy the way ya do me  
Why ya gotta be so good when ya give it to me

What would you do?

Boy the way ya do me  
Boy the way ya do me  
Why gotta be so good when ya give it to me

boy the way ya do me  
boy the way ya do me  
why ya gotta be so good when ya give it to me

I been trying to think of ways to tell ya no  
same time I'm thinkin I'd be crazy to let ya go

Boy the way ya do me  
Boy the way ya do me  
you been talkin something good when ya talkin to me

I been trying to think of ways to tell ya know  
same time i been thinkin I'd be crazy to let ya go

Boy the way ya do me  
Boy the way ya do me  
why gotta be so good when ya give it to me

Funny thing  
I didn't wana believe  
Of a love that was free  
If for a moment I could  
SO many dissappointments  
Had me feelin somethin like  
I didn't have a reason I should
