Dsus2 F#m E
1. Come with me, stay the night You say the words, but boy it don't feel right

Dsus2 F#m E
What do you expect me to say (You know it's just too little too late)

Dsus2 F#m E
You take my hand, and you say you've changed But boy you know your beggin'
' don't fool me

Dsus2 F#m E
Because to you, it's just a game (You know it's just too little too late)

Bm A
So let me on down,
E
Cause time has made me strong, I'm startin' to move on,
Bm A
I'm gonna say this now,
E
Your chance has come and gone.
Bm
And you know...

A
R: It's just too little too late,
F#m E
A little too wrong,
Bm
And I can't wait,
A F#m E
Boy you know all the right things to say
Bm
You know it's just too little too late
A
You say you dream of my face,
F#m E
But you don't like me,
Bm
You just like the chase.
A F#m E
To be real, it doesn't matter anyway, (You know it's just too little too late.)

Dsus2 F#m E

2. I was young, and in love, I gave you everything, but it wasn't enough
And now you wanna communicate. (You know it's just too little too late)

Bm A
Go find someone else,
E
In lettin' you go, I'm lovin' myself,
BmA
You got a problem,
E
But don't come askin' me for help.

Bm

Cause ya know...

I can love with all of my heart baby,

With a player like you, I don't have a prayer,

F#m

E

That's the way to live,

Bm A F#m E (may creatively pluck from here to the last E bef. chorus)

Yeah, oh.

Bm A F#m

It's just too little, too late.

Yeah!
