

# We Disappear

Jon Hopkins

We both know this  
We both know this  
Can we make it last  
Leave and knew again  
Disappear  
Disappear  
Disappear  
Disappear

We won't go there  
We won't go there  
We don't know where  
Wishing you were there  
Disappear  
Disappear  
Disappear  
Disappear
