

Oh!

Jon McLaughlin

Hearin these words come out your mouth
As I'm holding my breath
You're holding out for just the right time
To let your feelings show
Hmm

And for reasons that I can't understand
To you make sense
You pretend that who I am isn't who you know
Know

Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh!
Ooh, oh!
Oh, oh!

I'm losing my sense of where we are
And I'm looking around
Was familiar stars
Then I look back what I thought it was

Oh, and just tell me if this is how it's gonna be
Cause a change in you is a change in me
We're chained to who we let ourselves become
Become

Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh!
Oh, oh, oh, oh!
Ooh!

And I'm hearing the words coming out your mouth
As I'm holding my breath
You've been holding out
For just the right time to let those feelings, feelings go
It's just about time
See, for reasons that I cannot understand
To you make sense
You pretend who I am is somebody you never met
I'm stretching all these seams
Just to catch everything you throw
Oh, no, no, no

Oh, oh! Ooh!...
