

She Ain't in It

Jon Pardi

Appreciate your call, means a lot and all
Yeah, I got a minute
You and me can talk about anything you want
As long as she ain't in it
Say, it's been at least a month since I've had any fun
Buddy, I'll admit it
Yeah, I might be going out
Think I'm ready for a crowd
As long as she ain't in it

Don't wanna hear her name
Don't wanna see her face
I swear, I know its gonna hurt
If I run into her somewhere

We could hit that place down by the interstate
Out past the city limits
Hangout all night long
Hear a country song
As long as she ain't in it

Don't wanna hear her name
Don't wanna see her face
I swear, I know its gonna hurt
If I run into her somewhere

I can drink and I can dance
I can party and I can laugh
No matter how you spin it
Everything has changed
My life won't be the same
As long as she ain't in it
As long as she ain't in it
