I Used Be Just Like You  
Its So True.  
A Nobody,  
Outcast Of The High School.

I Had A Crew  
But Only A Select Few.  
That I Used To Run With  
But Never Ever Quite Cool.

But Its Alright Dude,  
Cuz Now Iâm Makin Money Though.  
And Them The Same Ones  
Askin When Iâm Gonna Do A Show.

And You Dont Need To Be A Rapper,  
Just To Go N Blow.

Cuz Iâm Tell Ya Bout Another Homie,  
That I Used To Know.

He Used To Get Teased,  
Couldnât Ever Get The Chicks  
He Didnât Stress,  
He Just Worried Bout Getting His.

Come The Weekend,  
And Everybody Thinkin Party  
He Kept His Mind Right,  
Studyin And Workin Harder.

So Now He Got His Own Business  
And A Great Life,  
A Nice Home,  
Clean Ride And A Good Wife.

So The Point Is,  
Think About The Long Run.  
You May Not Fit In Now,  
But Dogg Your Time Will Come.
