

# Burnin' Up

Jonas Brothers

I'm hot  
You're cold  
You go around  
Like you know  
Who I am  
But you don't  
You've got me on  
My toes (toes, toes)

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby you turn the temperature hotter  
Cause I'm burnin' up, burnin' up  
For you baby

Come on girl

I fell (I fell)  
So fast (so fast)  
Cant hold myself back (back, back)  
High heels (high heels)  
Red dress (red dress)  
All by yourself  
Gotta catch my breath

I'm slipping into the lava  
And I'm trying to keep from goin' under  
Baby who turned the temperature hotter  
Cause I'm burnin' up, burnin' up  
For you baby

Walk in the room  
All I can see is you

Oh

Staring me down  
I know you feel it too

I'm slipping into the lava  
And I'm tryin' to keep from goin under  
Baby who turned the temperature hotter  
Cuz' I'm burnin' up, burnin' up  
For you baby

Slipping into the lava  
And I'm trying to keep from going under  
Baby who turned the temperature hotter  
Cause I'm burnin' up, burnin' up  
For you baby

Burnin' up in the place tonight  
And the brothers singing loud (and were feelin' right)  
Get up and dance (don't try to fight it)  
Big robs for real (and that's no lie)  
Stop, drop and roll (and touch the floor, to keep from burnin' up)  
More and more

I got JB with me (laying it down)  
Come on boys bring the chorus around

I'm slipping into the lava (burnin' up, burnin' up)  
And I'm trying to keep from going under (yeahhhh)  
Baby who turned the temperature hotter (come on nick)  
Cause I'm burnin' up  
Burnin' up for you baby  
Burnin' up, burnin' up  
For you baby
