

# I'm Your Moon

Jonathan Coulton

They invented a reason  
That's why it stings  
They don't think you matter  
Because you don't have pretty rings  
I keep telling you I don't care  
I keep saying there's one thing they can't change

I'm your moon  
You're my moon  
We go round and round  
From out here, it's the rest of the world that looks so small  
Promise me  
You will always remember who you are

Let them shuffle the numbers  
Watch them come and go  
We're the ones who are out here  
Out past the edge of what they know  
We can only be who we are  
It doesn't matter if they don't understand

I'm your moon  
You're my moon  
We go round and round  
From out here, it's the rest of the world that looks so small  
Promise me  
You will always remember who you are

Who you were  
Long before  
They said you were  
No more

Sad excuse for a sunrise  
It's so cold out here  
Ice and silence and dark skies  
As we go round another year  
Let them think what they like, we're fine  
I will always be right here next to you

I'm your moon  
You're my moon  
We go round and round  
From out here, it's the rest of the world that looks so small  
Promise me  
You will always remember who you are
