

# Forsaken

Jonathan Davis

I'm over it  
You see I'm falling in the vast abyss  
Clouded by memories of the past  
At last I see

I hear it fading, I can't speak it  
Or else you will dig my grave  
You feel them finding, always whining  
Take my hand now be alive

You see I cannot be forsaken  
Because I'm not the only one  
We walk amongst you feeding, raping  
Must we hide from everyone?

I'm over it  
Why can't we be together embrace it?  
Sleeping so long taking off the mask  
At last I see

My fear is fading, I can't speak it  
Or else you will dig my grave  
You feel them finding, always whining  
Take my hand now be alive

You see I cannot be forsaken  
Because I'm not the only one  
We walk amongst you feeding, raping  
Must we hide from everyone?
