Forsaken

Jonathan Davis

I'm over it You see I'm falling in the vast abyss Clouded by memories of the past At last I see

I hear it fading, I can't speak it Or else you will dig my grave You feel them finding, always whining Take my hand now be alive

You see I cannot be forsaken Because I'm not the only one We walk amongst you feeding, raping Must we hide from everyone?

I'm over it Why can't we be together embrace it? Sleeping so long taking off the mask At last I see

My fear is fading, I can't speak it Or else you will dig my grave You feel them finding, always whining Take my hand now be alive

You see I cannot be forsaken Because I'm not the only one We walk amongst you feeding, raping Must we hide from everyone?
