

He Gave Us the Wine to Taste

Jonathan Richman

He gave us the wine to taste
not to talk about it
He gave us the wine to taste
and not to discuss
so let's taste it, let's taste it
don't criticize it and waste it
He gave us the wine to taste it
yeah yeah yeah

So take a drink, take a drink
don't talk about it and think
try a drop, try a drop
and stop if you want to stop
don't criticize and wa-a-aste it
He gave us the wine to taste it
yeah yeah yeah

He gave us the wine to taste

not to talk about it
He gave us the wine to taste
not criticize
so let's taste it, let's taste it
don't let's criticize it and waste it
He gave us the wine to taste it
yeah yeah yeah

So take a drink, take a drink
don't talk about it and think
try a drop, try a drop
and stop if you want to stop
don't criticize and wa-a-aste it
He gave us the wine to taste it
yeah yeah yeah
