

Stay

Jordan Pruitt

(Ay Yeah)

You, you're the secret I've been keepin'
Down deep inside my soul
You, you're the one who makes me smile
And you don't even have to try, oh
You sing you're song
You're here, you're gone
I never let my feelings show
I just watch you go

But I think Stay
Stay, Stay, Stay
With me
Stay, Why won't you stay?
Why can't I say?
Why don't you stay
Stay, Stay (ay ay)

I, I can see you when I'm dreamin'
I don't even have to close my eyes
You, you always gotta be some place
And we're always havin' to say goodbye
You lead me on
You're here, you're gone
I can't even tell what's true
I need the words from you

So tell me stay
Stay, Stay
Well stay with me
Stay, Why won't you stay?
Why can't I say?
Why don't you stay?
Stay, Stay (ay ay ay)

If I was brave enough to try
I'd tell you
If I could swallow all my pride
I'd tell you

Stay, mmmm
Stay, Stay
Well Stay (oh oh)

Stay, Why won't you stay?
Why can't I say?
Why don't you stay?
Stay, Stay (ay ay ay)

(Yeah)
