

Redemption City

Joseph Arthur

Redemption city
Is where I live
Redemption city
I got nothing to give

Bide my time
And find you to forgive
Redemption city
Is where I live

Redemption city
Is where I come from
Redemption city
The beat in every drum

Redemption city
The blood that's in my veins
Skyscrapers and sewers
And love that flows down drains

Redemption city
Buildings falling down
Redemption city
Skulls stuck in the ground

Redemption city
Night gives into dawn
As evil fills the streets
The love keeps moving on

Redemption city
I fell but now I'm free
Redemption city
In you there's no more me

Redemption city
I breathe in your air
As destruction and revolution
Are building everywhere

Maybe you wanna come home
Maybe you wanna get away
Maybe you wanna go out
You'll find redemption
Real redemption

Redemption city
Sons and daughters save
Redemption city
Built in every grave

Redemption city
The light in every cave
Freeing every soldier
Every master now a slave

Redemption city

Morning paper trains
Redemption city
Nectar and the stains

Redemption city
Blood on every hand
The cold rain in each eye
Killing every man

Redemption city
No place left to park
Redemption city
Not safe after dark

Redemption city
The fire from each spark
Shooting from the blackness
Born from every heart

Redemption city
Blood runs through the streets
Redemption city
Where saints drink wine with freaks
Redemption city
Salvations naked here
And Satans in the cold speaking with his fear
Rob from always on the run is so bad and copy paste is a sin
Redemption city
His fear is made of doves
Redemption city
Sobered up his buzz

Redemption city
Now Satan's falling down
And the people come to stab him
And put him in the ground

Maybe you wanna come home
Maybe you wanna get away
Maybe you wanna go out
You'll find redemption
Real redemption

Redemption city
Is where I live
Redemption city
I got nothing to give

Bide my time
And find you to forgive
Redemption city
Is where I live

Redemption city
Is where I come from
Redemption city
The beat in every drum

Redemption city
The blood that's in my veins
Skyscrapers and sewers
And love that flows down drains

Maybe you wanna come home
Maybe you wanna get away
Maybe you wanna go out
You'll find redemption
Real redemption
You'll find redemption
Real redemption
