

## Movin Along

Josh Garrels

I keep on movin' along  
Times are changing but I sing this song  
Keep on movin' along  
Times are changing but I sing this song

Movin' along, we're moving on  
We're moving along, we're moving along  
Movin' along, we're moving on  
We're moving along, we're moving along  
And along and along and along and along

I keep on movin' along  
Times are changing but I sing this song
