Pearls

Josh Groban

There is a woman in Somalia Scraping for pearls on the roadside There's a force stronger than nature Keeps her will alive

This is how she's dying She's dying to survive Don't know what she is made of I would like to be that brave

She cries to the heaven above
There is a stone in my heart
She lives a life she didn't choose
And it hurts like brand new shoes
And it hurts like brand new shoes

There is a woman in Somalia
The sun gives her no mercy
The same sky we lay under
Burns her to the bone

Long as afternoon shadows
It's gonna take her to get home
Each grain carefully wrapped up
Pearls for her little girl

Hallelujah Hallelujah

She cries to the heaven above
There is a stone in my heart
She lives in a world she didn't choose
And it hurts like brand new shoes
And it hurts like brand new shoes
