

# God, Please Let Me Go Back

Josh Rouse

Waiting on my angel to count my woes  
Waiting on my angel to come by here  
Nothing to lose but time

Little fellow wanted to know, yes that  
Little fellow wanted to know he said  
Why, are you ready to die?  
I told him I would have to say no

'Cause in my life I only wanted things to go right  
Oh my God, I can't believe the mess I've caused  
I want to go back again  
Please, let me go back again

Now I gotta wait on my girl  
How long I gotta wait on my girl out there?  
She's down there having fun

I never was a jealous guy, you know  
I never was a jealous type but I  
Saw the way he looked at you  
He always was a son of a bitch

In my life I only wanted things to go right  
Oh my God, look at all the mess I've caused  
I want to go back again  
Please, let me go back again  
Let me go back again

I, I, I am a loneliest cloud in the sky  
Clean, clean, clean, every thing's so boring and clean

In my life I only wanted things to go right  
Oh my God, can't believe the mess I've caused  
I want to go back again  
Please, let me go back again, go back again

Please, let me go back again  
I want to go back again
