

After the Fall

Journey

So now love is gone
I can't go on, love is gone
I want to say but it's just too late
Waited far too long

Should have told you then I knew
Should have told you right from the start
But the words didn't come out right
So I'll tell you straight from my heart

You meant more to me than I let you see
You held on somehow
All your tenderness and your sweet caress
I miss you now

But a headstrong stubborn man
Only works it out the best he can
Valentines he never sent
There's not enough time, he's a workin' man

Can't stop fallin', heartaches callin'
Finds you after the fall
Saints or sinners, take no prisoners
What's left after you fall? No not much, no

Oh I say love is gone, I can't go on
Now love is gone
I want to say but it's just too late
Waited far too long

Should have told you then I knew
Should have told you right from the start
But the words didn't come out right
So I'll tell you straight from my heart

Can't stop fallin', heartaches callin'
Finds you after the fall
Saints or sinners, take no prisoners
What's left after you fall? No not much, no
No, no, not much, after the fall
After you fall, after you fall
